

AAUP, ACLU, PEN AMERICAN CENTER, AND SLATE PRESENT:

SECULARISM, ISLAM, & DEMOCRACY

MUSLIMS IN EUROPE AND THE WEST

Professor Tariq Ramadan's first U.S. appearance since he was barred from the country in 2004

Is there a fundamental clash of values between secularism and Islam and between freedom of expression and freedom of religion? In what ways are Muslims living in the West contributing to their democratic societies? Can Islam exist as a Western religion? Is it a Western religion already?
