

"Subject: Open Public Records Request

Dear Rutgers University,

This is a request for public records made under **OPRA** and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

I request that a copy of the following documents containing the following information be provided to me:

I would like the cost information – how much Rutgers paid – associated with all contracts for OpenAI's ChatGPT, Anthropic, Google Gemini, Microsoft Co-pilot, and Canvas.

To help determine my status to assess fees, you should know that I am a professor at Rutgers and this request is made for a scholarly purpose; not for commercial use.

I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the technology operations of the public university of New Jersey.

Thank you for your consideration of this request.

Sincerely,

Britt Paris

Associate Professor, Rutgers University
