

AAUP-ASC CONFERENCE SUPPORT GRANT APPLICATION

Conference support grants provide support to conferences that are engaged in core conference activities. To be eligible for these grants, a state conference must have a functioning state executive committee, hold an annual state conference meeting, and have a chapter services/membership development program. State conferences also must demonstrate or report plans to initiate regular communication with members (newsletter, emails, social media, etc.), a legislative monitoring/public advocacy program, and an academic freedom/governance program (committees or campaigns that promote shared governance, tenure, etc.)

1. Name of State:
2. Number of AAUP members (supplied by national AAUP):
3. Date of the **most recent** election of officers:
4. Attach a sheet listing the **state executive committee** (President, Treasurer, etc.).

Include each person's name, AAUP state conference office, affiliation, email, and term office expires. For the President include full contact information: name, affiliation, mailing address, home and business telephone numbers, and email. Indicate whether the primary contact for this state conference is the President or someone else.

5. Date of **last** annual state conference meeting:
If known, date of **next** annual state conference meeting:
6. Chapter service program director's name & all contact information:
7. Attach one copy of the current **description of the chapter service program** that is currently being distributed to chapters (this may be in the form of information listed on your chapter webpage).

Optional:

8. Attach two different, recent issues of the **conference newsletter or URL of Facebook page**.
9. Attach a sheet detailing the **legislative monitoring/lobbying program and/or academic freedom/governance program**.
