

## Trends in Instructional Staff Employment Status, 1975-2011

A different way of looking at the same numbers--all tenure-line instructors grouped together and all contingent instructors grouped together.

**Notes:** All institutions, national totals. Figures for 2011 are estimated. Figures are for degree-granting institutions only, but the precise category of institutions included has changed over time. Graduate student employee figure for 1975 is from 1976. Percentages may not add up to 100 due to rounding.
