

SECTION DELEGATES TO THE 2020 AAUP BIENNIAL MEETING AND ELECTION

As a result of the COVID 19 emergency, the AAUP Biennial Meeting scheduled for June 19–20, 2020 has been postponed in part. The election of AAUP Officers and Council members scheduled for the Biennial Meeting will be conducted by a secret mail ballot of chapter and section delegates. The non-election portion of the Biennial Meeting is postponed and will be rescheduled when feasible. The election ballots will be mailed to each delegate’s home address on record with the AAUP on or about June 19, 2020, and must be returned in the return envelope provided and received no later than 28 days thereafter. To register delegates from your chapter for the Election of AAUP Officers and Council Members and to the 2020 Biennial Meeting, please complete this form and return it no later than **Friday, May 15, 2020. In order to be credentialed and vote as section delegates in the 2020 Election of AAUP Officers and Council members, this form must be received no later than Friday, May 15, 2020.**

In order to be credentialed and participate and vote as section delegates at the rescheduled in-person portion of the Biennial Meeting each delegate **must also** sign in and receive their delegate credentials at the Meeting. If the AAUP is not able to promptly reschedule the 2020 Biennial Meeting supplemental delegate registration may be necessary. Sections and delegates will be provided details regarding the in-person credentialing, and any supplemental delegate registration, when the Meeting is rescheduled.

Chapters with fewer than 250 members each from within a state may form one section of chapters for the exclusive purpose of electing to each meeting of the Association not more than one common delegate for each 250 aggregate members, up to a maximum of ten delegates. No chapter participating in the section shall have any other credentialed delegates at the meeting. The section’s delegate(s) shall be entitled to a number of votes equal to the aggregate number of members in the chapters participating in the section. The section delegate(s) must be members elected by a secret ballot of all of the members of the chapters participating in the section.

The Section Coordinator must sign the following (no exceptions):

I verify that the persons listed on the second page are MEMBERS of the Association and will represent the section of chapters listed on the second page at the 106th Meeting in Arlington, VA, June 19-20, 2020.

In an election or weighted vote, if a chapter has more than one delegate, each delegate who completes credentialing is entitled to an equal portion of the votes to which the chapter is entitled. The delegate listed first will receive any remainder votes after the total votes have been divided by the number of delegates. If the delegate listed first is not credentialed, the delegate listed next who is credentialed will receive the remainder votes. **If a chapter wishes for an alternate to vote instead of a delegate, the chapter must notify the AAUP no later than June 1, 2020.**
